3. Reasons

Due to severe damage on supply-chain of Automotive industry caused by the Great East Japan Earthquake, the forecast for the year ending March 31, 2012 was reported to reflect the severe condition to be continued for the time being. Now the recovery has been seen at faster pace than forecasted earlier, the forecast is also revised for the sales, operating profit, recurring profit and profit after tax as shown above.

Notes: All forecasts were made based on the available data to the Company as of the filing date of this notice. Therefore, other factors may cause the Company's actual results.
